Description of Categories

Board Review Date	The date the project was presented to the Board.
Follow-up Date	The date the Board requests a projects status update.
BOB Approved	Did the Bond Oversight Board (BOB) approve project?
District	The City Commission District the project is in.
CIP Project Number	The funding number for each project in the Department of Capital Improvements.
Originating Department and Contact	What department presented project to Board, and who presented the project.
Project	Projects general scope of work.
Project Name/Description	Name and additional information about project.
Project Funding Amount	The amount proposed for project.
Ongoing Funding Total *	As each project is presented to the Board, the amount in this column will increase. If Commission does not approve the project, this amount will change accordingly.
Approved by Commission	The date the project was presented to Commission. Did Commission approve the project?
Resolution Number	The projects resolution number, if Commission approved.

* The dollar amounts in the Ongoing Funding Total column come from adding the amounts listed in the Project Funding Amount column. I.E. \$1,000,000 (Police Homeland Defense Preparedness Initiatives) is added to \$1,500,000 (Fire-Rescue Homeland Defense Preparedness Initiatives), to equal \$2,500,000. Then \$25,000 (Miami Circle Greenway) is added to equal \$2,525,000...and so on. All bond funding is then tallied for the year.
