Envelope

What is the weight limit for the FedEx® Envelope rate?

Eight ounces — including the FedEx Envelope, airbill and contents (up to approximately thirty 8 1/2" x 11" pages). If it exceeds the gross weight limit, a higher rate will apply.

What can be shipped in the FedEx Envelope?

This envelope is designed for documents. Contents should be compatible with the container and packed securely to help assure safe transportation with ordinary care in handling. Shipments within the U.S. with a value greater than US\$500 should not be shipped in this envelope. International shipments with a value in excess of US\$100 for carriage or customs should not be shipped in this envelope. Do not send cash, cash equivalent or other prohibited items. This envelope is for FedEx Express shipments only. Any other use is prohibited.

What is the FedEx limit of liability?

For shipments within the U.S., FedEx liability is limited to US\$100 for loss, damage, delay, misdelivery or nondelivery unless you declare a higher value and pay an extra charge. The maximum declared value for the contents of this envelope is US\$500. See the current FedEx Service Guide or the FedEx® US Airbill for details.

For international shipments, FedEx liability is limited to US\$100 for damage, delay or loss of shipments by surface or air and may be further limited by certain treaties, including the Warsaw Convention, typically to US\$9.07 per pound. See the current FedEx Service Guide or the FedEx® International Air Waybill for details.
