City Clerk
City of Miami
3500 Pan American Drive
Miami, Florida 33133

Dear Ms. Thompson,

This is to request that my home address be removed from all public documents in the City of Miami.

As you know I have served in many boards in this city, including Code Enforcement and Citizens on Patrol, to name two. These positions often bring conflict between the board member and the people out in the city street.

I would appreciate your consideration of my request.

Regards,

Denis Rod
