The City reserves the right to execute or not execute, as applicable, an Agreement with the Successful Proposer, when it is determined to be in the City's best interest. The City does not represent that any award will be made, or any Agreement will be satisfactorily negotiated to be acceptable to the City and the Proposer. The award and execution of an Agreement shall comply with CCNA, Section 287.055 of the Florida Statutes, as amended, and codified in the City of Miami Code as Section 18-87, as amended.

1.8 AGREEMENT EXECUTION

By submitting a Proposal, the Proposer agrees to be bound to and execute the PSA, in substantially the form furnished by the City, for professional design services for the fortification of the MPD Police Headquarters ("Project"). Upon commencement of the PSA negotiation process, and without diminishing the foregoing, the Proposer may request clarification and submit comments concerning the Agreement for the City's consideration. None of the foregoing shall preclude the City, at its option, from seeking to negotiate changes to the Agreement during the negotiation process.

The City shall require the Successful Proposer to provide for itself and its Sub-Consultants all of the following documentation to support the Price Proposal (if applicable), as a condition precedent to execution of an Agreement.

- Current financial statement(s), preferably an audited financial statement(s) prepared by a Certified Public Accountant (“CPA”) for the most recently completed fiscal year clearly showing the costs (not percentage) of direct labor, indirect labor, fringe benefits, general administrative costs and overhead, and a statement of profit and/or operating margin.

Any unauthorized work performed by the Successful Proposer, prior to receiving the NTP, or during the term of the Agreement, shall be deemed non-compensable by the City, and shall be at the Proposer’s sole risk and expense. The Successful Proposer shall not have any recourse against the City for prematurely performing unauthorized work.

1.10 SUBMITTAL INSTRUCTIONS

Careful attention must be given to all requested items contained in this RFQ. Proposers are invited to submit Proposals in accordance with the requirements of Section 4, “Instructions for Submitting a Proposal.” **PLEASE READ THE ENTIRE SOLICITATION BEFORE SUBMITTING A PROPOSAL.** Proposers shall make the necessary entries in all blanks on the forms provided for inclusion in the Proposer’s Proposal. Proposals shall be submitted in sealed envelopes or packages, with the RFQ number, title, and opening date clearly noted on the outside of the envelopes or packages.

1.11 CHANGES/MODIFICATIONS/ALTERATIONS

Proposer may submit a modified Proposal to replace all or any portion of a previously submitted Proposal, or withdraw a Proposal at any time prior to Proposal Submission Due Date (referenced in the Public Notice). All modifications or withdrawals shall be made in writing, to the Office of the City Clerk, City Hall, 3500 Pan American Drive, Miami, Florida 33133. **Oral/Verbal modifications are prohibited, and they will be disregarded. Written modifications will not be accepted after the Proposal Submission Due Date.** The City will only consider the latest version of the Proposal.

1.12 SUB-CONSULTANT(S)/SUB-CONTRACTOR(S)

For purposes of this RFQ, the terms “Sub-Consultant” and “Sub-Contractor” are used interchangeably. A Sub-Consultant or Sub-Contractor is any individual, firm, entity, or organization, other than the employees of the Proposer, who has or will have a contract with the Proposer to assist in the performance of Services required under this RFQ. A Sub-Consultant shall be paid directly by the Proposer, and shall not be paid directly by the City. The Proposer must clearly identify in its Proposal the Sub-Consultants to be utilized in the performance of

required Services. The City retains the right to accept or reject any Sub-Consultant proposed in accordance with Section 3.5, Minimum Qualification and Experience Requirements, and Section 4.1, Submission Requirements, or proposed prior to execution of the Agreement. Any and all liabilities regarding the use of a Sub-Consultant shall be borne solely by the Successful Proposer, and insurance for each Sub-Consultant must be approved by the City and maintained in good standing throughout the duration of the Agreement. Neither the Successful Proposer nor any of its Sub-Consultants are considered employees, partners, affiliates, or agents of the City. Failure to list all Sub-Consultants and provide the required information may disqualify any unidentified Sub-Consultants from performing work under this RFQ.

Proposers shall include in their Proposal the requested Sub-Consultant information and all relevant information required of the Proposer. Proposer must identify each of its Small Business Enterprise (SBE) Sub-Consultants via Letter of Agreement (“LOA”) utilizing **Form RFQ-LOA** at the time of Proposal submittal. Additional information concerning the SBE requirements can be found in Section 3.6, “Small Business Enterprise (“SBE”) Mandatory Participation Requirements.”

After Proposal submittal, Proposers are expressly prohibited from substituting any Sub-Consultant or Sub-Contractor contained in their Proposal. Just cause and prior written approval by the City Manager or City Manager’s authorized designee are required for substitution of any Sub-Consultants. If approved, the City reserves the right to request additional required documentation as specified in the RFQ. If the City does not accept the proposed change(s), the Proposal may be rejected and not considered for award.

1.13 DISCREPANCIES, ERRORS, AND OMISSIONS

Any discrepancies, errors, or ambiguities in the RFQ or addenda (if any) should be reported in writing, in the manner prescribed in Section 1.4, Cone of Silence. If applicable, the City will issue a written addendum to the RFQ clarifying such conflicts or ambiguities. It is agreed that any such alleged discrepancies, errors, or omissions will not be construed against the drafting party.

1.14 DISQUALIFICATION

This RFQ requires the use and submission of specific City forms. In addition, the RFQ requires the submission of additional documents and information. Failure to use the City forms will result in the Proposal being deemed non-responsive, and the Proposal will not be further considered for award. Modification of, retyping, or any alterations to, the City forms may also result in the Proposal being deemed non-responsive.

The City reserves the right to disqualify Proposers upon evidence of collusion with intent to defraud or other illegal practices on the part of the Proposer. The City also reserves the right to waive any immaterial defect or informality in any Proposal, to reject any or all Proposals in whole or in part, or to reissue this RFQ.

Any Proposer who submits in its Proposal any information that is determined by the City, in its sole opinion, to be substantially inaccurate, misleading, exaggerated, or incorrect, shall be disqualified from consideration for award of the Agreement.

Any Proposal submitted by a Proposer who is in arrears, (e.g., monies owed, outstanding judgments, code violations, fines, liens, penalties or other fees due to the City, or otherwise in debt or in breach of contract by failing to deliver goods or services to the City (City in this context includes any agency, instrumentality, or department of the City), or where the City has an open or liquidated damages claim against a Proposer for monies owed to the City at the time of Proposal submission, or if a Proposer has been declared in default or abandoned a prior City Contract, or has been debarred by a federal, State of Florida, or local public entity within the past five (5) years, or is on the convicted vendor list per Section 287.133 of the Florida Statutes, will be rejected as non-responsive/non-responsible and shall not be considered as eligible for award.

Prior to award of the Agreement, the above requirements must be met, and is a condition that must be maintained during the term of the Agreement.

1.15 PROPOSER'S EXPENDITURES

Proposers understand and agree that any expenditure incurred in preparation and submittal of Proposals, or in the performance of any services requested by the City in connection with the Proposals for this RFQ, are exclusively at the expense of the Proposers. The City shall not pay or reimburse any expenditure, or any other expense incurred by any Proposer in preparation of a Proposal, and/or anticipation of Agreement award, and/or to maintain the approved status of the Successful Proposer if an Agreement is awarded, and/or administrative or judicial proceedings resulting from the solicitation process. The Proposer agrees to these terms by submission of a Proposal.

1.16 EXECUTION OF PROPOSAL

The Proposal must be manually and duly signed in legible ink by an authorized corporate officer, principal, or partner (as applicable) with an original signature in full. When a firm is the Proposer, the Proposal shall be signed in the name of the firm by one or more of the partners by legible ink with an original signature in full. When a corporation is the Proposer, the officer signing shall set out the corporate name in full, beneath which he shall sign his/her name, give title of his/her office, and affix the corporate seal. Anyone signing the Proposal as an agent, must file with it adequate legal evidence of signature authority to act on behalf of and bind the Proposer; otherwise the Proposal may be rejected as non-responsive. Proposers who are corporations shall furnish their Proposal to the City with a copy of their authorization to transact business in the State of Florida. Failure to submit promptly this evidence of qualification to do business in the State of Florida may be a basis for rejection of the Proposal.

Proposer understands that submitting a Proposal to this RFQ does not constitute an Agreement or Contract between the City and the Proposer. Proposer has no contract right or expectation by submitting to the City a response to this RFQ.

1.17 INSPECTION OF SITE

Proposers should carefully examine the site location before submission of a Proposal and make all necessary investigations to inform themselves thoroughly as to all difficulties involved in the completion of all services required pursuant to the mandates and requirements of this RFQ and the Agreement. No plea of ignorance of conditions or difficulties that may hereafter exist, or of conditions or difficulties that may be encountered in the execution of the services pursuant to the Proposal as a result of failure to make the necessary examinations and investigations, will be accepted as an excuse for a failure or omission on the part of the Successful Proposer to fulfill, in every detail, all of the requirements, as defined in the Agreement, nor will they be accepted as a basis for any claims whatsoever for extra compensation or for an extension of time.

Only one (1) Proposal from an individual, firm, partnership, corporation, or joint venture will be considered in response to this RFQ. Subconsultants and Subcontractors may be included in more than one Proposal submitted by more than one Proposer. A firm, partnership, corporation, or joint venture that submits a Proposal shall not be a Subconsultant on another Proposal submitted under this RFQ.

Joint venture firms must complete and submit with their Proposal the form titled "Information for Determining Joint Venture Eligibility," (Form A, located on the last two pages of this RFQ document) and submit a copy of the formal agreement between all joint venture parties. This joint

venture agreement must indicate their respective roles, responsibilities, and levels of participation for this RFQ. Failure to timely submit Form A, along with an attached written copy of the joint venture agreement may result in disqualification of the Proposer's Proposal.

Joint venture Proposals will be evaluated based on the combined team. Each member of a joint venture shall provide the information identified above.

Proposer must clearly identify any Subconsultants proposed to be used, and provide for the Subconsultant the same information required of the Proposer. The City retains the right to accept or reject any proposed Subconsultants.

It is the policy of the City that, prior to award of an Agreement, the Successful Proposer register as a vendor indicating the commodities/services which the Proposer can regularly supply to the City. The Proposer can register as a City vendor, via the internet at:

SECTION 5 EVALUATION/SELECTION PROCESS

5.1. EVALUATION PROCEDURES

The procedure for Proposal evaluation and selection is as follows:

1. Request for Qualifications issued.
2. Receipt of Proposals.
3. Opening and listing of all Proposals received.
4. Preliminary review by City's Procurement staff for compliance with the submission requirements of the RFQ, including verification that each Proposal includes all documents required.
5. Review by professional staff and/or an Evaluation Committee (Committee) certifying that the Proposer is qualified to render the required services according to State regulations.
6. The Committee, appointed by the City Manager, will meet to evaluate each responsive Proposal in accordance with the requirements of this RFQ. Procurement staff will compile the preliminary scores for each responsive Proposal, whereby the Committee will establish a shortlist including a minimum of three (3) firms deemed the most highly qualified to perform the required services, unless fewer than three (3) Proposals are received.
7. The Committee will hold oral presentations and interview sessions with the shortlisted firms, to include a visual component, ranging from a collage or sketch to a high-resolution rendering, to convey the shortlisted firms' vision for the Project. Subsequent to oral presentations, the Committee will reevaluate and rescore the Proposals, in conjunction with the oral presentations.
8. Procurement staff will calculate the final score for each shortlisted firm, to finalize the composite scores and ranking of the Committee.
9. The Committee will forward its recommendation to the City Manager, listing the Proposers in rank order.
10. After reviewing the Committee's recommendation, the City Manager may:
 - a) Approve the recommendation of the Committee and authorize Procurement to enter into negotiations with the top ranked Proposer or request that the Committee provide additional information as to the ranking of the Proposals. Upon approval of the Committee's recommendation, the Proposers will be listed in rank order on the OCI webpage, <http://www.miamigov.com/MiamiCapital/NewBidsandProposals.html>;
 - b) Reject the Committee's recommendation and instruct the Committee to re-evaluate and make further recommendations;
 - c) Reject all Proposals; or
 - d) Recommend that the City Commission reject all Proposals.
11. Upon successful negotiation of the Agreement(s), Procurement will forward the recommended Agreement(s) to the City Manager for approval, and the City Manager upon acceptance of the negotiated Agreement(s) will approve the award for

Agreements not exceeding \$500,000 or recommend that the City Commission, when required by the City's Procurement Code, approve the recommendation of the Committee and the award of the Agreement(s). Where Procurement is not able to negotiate successfully an Agreement with the top ranked Proposer(s), Procurement will recommend to the City Manager that such negotiations be terminated, and that Procurement enter into negotiations with the next ranked Proposer(s) until an Agreement is negotiated or all Proposals are rejected.

12. After reviewing the City Manager's recommendation, the City Commission may:
 - a) Approve the City Manager's recommendation and authorize award of the Agreement(s). Upon approval of the City Manager's recommendation, an award memorandum will be included on the OCI webpage, <http://www.miamigov.com/MiamiCapital/NewBidsandProposals.html>, of which written notice shall be provided to all Proposers;
 - b) Reject the City Manager's recommendation to award the Agreement(s); or
 - c) Reject all Proposals and direct the City Manager to re-open negotiations or to solicit new Proposals.
