S&S National Waste, Inc.
Audit No. 10-016

Pursuant to Section 48 of the City of Miami's (City) Charter and the Fiscal year 2010 audit plan, we have examined the billing records of S&S National Waste, Inc. (S&S). The audit was performed to determine whether S&S complied with applicable Sections of the City Code and the Commercial Solid Waste Franchise Agreement (Agreement) between the City and commercial solid waste hauling companies. Chapter 22 of the City Code and said Agreement regulates the operation of commercial solid waste services in the City.

Additionally, we examined the internal control policies and procedures in the City's Solid Waste Department to determine whether they were adequate and effective in administering and overseeing the operation of commercial solid waste services in the City.

The audit covered the period October 1, 2008 through September 30, 2009 and selected financial transactions that were processed prior and subsequent to this period.

Sincerely,

INTRODUCTION

On July 25, 2002, and October 14, 2004, the City Commission passed and adopted Ordinance Numbers 12258 and 12599 respectively, amending Chapter 22, Articles I, II, and III of the City Code. A total of 25 firms signed the Commercial Solid Waste Franchise Agreement (Agreement), which authorized them to operate commercial solid waste hauling services in the City of Miami for the period starting November 1, 2004 through September 30, 2009, with a three year renewal option period through September 30, 2012. The option to renew the Agreement for an additional three year period will be at the sole discretion of the City.

Article V of the Agreement titled “Franchise Fees” stipulates that the following fees be assessed and collected.

- **Gross Receipts Franchise Fees.** In accordance with Article II, Section 2.2 of the Agreement, the term “Gross Receipts” shall mean, “all monies whether paid by cash, check, debit or credit, collected from customers for garbage, solid waste, fuel surcharge, construction and demolition debris, roofing materials, trash, litters, refuse and/or rubbish collection removal and disposal services rendered, or from any other source related directly from waste collection services by the FRANCHISEE, exclusive of taxes as provided by law, whether wholly or partially collected within the CITY, less bad debts.” During the period October 1, 1999 through September 30, 2004, the franchisee was required to remit to the City 20% of the gross receipts generated. Effective October 1, 2004, the rate increased to 22%. A one and one-half percent (1.5%) late payment penalty fee is assessed monthly on any balance due to the City.
- **Annual Franchise Fee.** The sum of \$5,000 (increased annually by \$500, thus \$7,000 was due for the audit period) for the right to provide commercial solid waste handling services within the City limits. A one and one-half percent

(1.5%) late payment penalty fee is assessed monthly on any balance due to the City.

- Annual Specialized Waste Handling Service Fee. The sum of \$1,000 (increased annually by \$500, thus \$3,000 was due for the fiscal year 2008-2009) for the right to provide “Specialized Waste Handler” services within the City. Ordinance 12258, Section 22-1 defines “Specialized Waste Handlers” as companies whose primary business is limited to collecting and disposing of solid waste that requires special handling and management including, but not limited to, white goods (appliances), waste tires, used oil, lead-acid batteries, construction and demolition debris, ash residue, biomedical and biological waste. A one and one-half percent (1.5%) late payment penalty fee is assessed monthly on any balance due to the City.
- Permit Per Account Fee. The franchisee is required to pay \$50 for each account contracted within the City for commercial solid waste services and/or specialized waste handling services including each container and/or roll-off utilized by franchisee in the course of providing solid waste services. The franchisee may only pass on an amount not to exceed \$24 of paid Permit Per Account Fee to each contracted customer. This fee is not transferable. A one and one-half percent (1.5%) late payment penalty fee is assessed monthly on any balance due to the City.

During the fiscal year, October 1, 2008 through September 30, 2009 the franchisees remitted a total of \$10,796,490 to the City. S&S is one of the franchisees selected for audit to determine compliance with the provisions of the Franchise Agreement. A separate audit report will be issued for each of the franchisees audited.

The Solid Waste Department (SWD) is responsible for ensuring that commercial solid waste service accounts and applicable fees/transactions are properly assessed and paid to the City. The Solid Waste Department is also responsible for monitoring the operations

of the commercial solid waste franchisees. This audit report describes whether S&S and the Solid Waste Department complied with the terms of the Agreement and applicable Sections of the City Code.

SCOPE AND OBJECTIVES

This audit was performed pursuant to the authority set forth in Section 48 of the City's Charter titled, "Office of the Independent Auditor General", and was conducted in accordance with the Fiscal Year 2009/2010 Audit Plan. As part of our oversight responsibilities, the Office of the Independent Auditor General performs financial and operational audits to determine the extent of compliance with terms of contracts, programs, and/or lease agreements between the City and private companies. This audit focused primarily on whether S&S National Waste, Inc. (S&S) and the City's Solid Waste Department (SWD) complied with the terms of the Commercial Solid Waste Franchise Agreement (Agreement) and with Chapter 22 of the City's Code, which govern the operation of commercial solid waste collection services in the City. The audit also included examinations of various transactions to determine whether they were processed in accordance with the generally accepted accounting principles. The audit covered the period October 1, 2008 through September 30, 2009 and focused on the following broad objectives:

- To ascertain whether all customer accounts located in the City were properly identified, coded, and assessed the appropriate fees.
- To determine whether all the applicable franchise fees as stipulated in Article V of the Agreement were properly computed and remitted to the City.
- To review the annual statement of gross receipts that was prepared by the independent Certified Public Accountant retained by S&S. Additionally, to determine whether said statement was submitted to the SWD within 60 days after the end of the fiscal year.
- To ascertain whether the fees remitted to the City were properly recorded in the City's accounting system and deposited into the City's treasury.

- To verify whether the appropriate public liability insurance and bonds were obtained as required by Article VII of the Agreement.
- To examine the internal control policies and procedures of S&S and the City's SWD and determine whether they were adequate and effective in administering and overseeing the operation of commercial solid waste hauling services in the City.
- To follow-up on prior audit findings and determine the status of all unresolved and outstanding issues.

METHODOLOGY

We conducted this performance audit in accordance with *Generally Accepted Government Auditing Standards*. Those standards require that we plan and perform the audit to obtain sufficient and appropriate evidence in order to provide a reasonable basis for our findings and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our findings and conclusions based on our audit objectives. The audit methodology included the following:

- Interviewed and inquired of appropriate personnel; reviewed and observed applicable written policies and procedures in order to gain an understanding of the internal controls; assessed control risk; and planned substantive testing.
- Performed substantive testing consistent with the audit objectives.
- Examined, on a test basis, applicable transactions and records.
- Determined compliance with all the objectives noted on pages 4 and 5.
- Performed other audit procedures as deemed necessary.
- Drew conclusions based on the results of the testing and made corresponding recommendations and obtained the auditee's responses and corrective action plans.

AUDIT CONCLUSION

Based upon various tests performed and the audit findings noted, we conclude that adequate internal controls were **not** in place to ensure that:

- The Permit Per Account Fee for all the accounts active as October 1, 2008 was remitted to the City.

Based upon various test performed and the audit findings noted, we conclude that **adequate** internal controls were in place to ensure that:

- The Franchise Fees remitted to the City were properly recorded in the City's accounting system and deposited in the City's Treasury.
- The appropriate public liability insurance was obtained as required by Article VII of the Agreement.
- The SWD obtained vehicle insurance certificates as required by the City Code and the Agreement.

Overall, we conclude that the internal control policies and procedures in place at S&S could be enhanced to ensure that all customer accounts located in the City are properly identified, coded, assessed the appropriate fees, and assessed fees are promptly remitted to the City.

SUMMARY OF AUDIT FINDING

S&S NATIONAL WASTE, INC.

ADDITIONAL FEES DUE TO THE CITY

Article V, Section 5.2 of the Agreement titled “Franchise Fees” stipulates certain fees the franchisee is required to remit to the City. Our review of S&S National Waste, Inc’s accounting and billing records disclosed that \$496 is due to the City from the franchise fee transactions assessed during the audit period. See detailed discussion on page 9.

AUDIT FINDING AND RECOMMENDATION

S&S NATIONAL WASTE, INC.

ADDITIONAL FEES DUE TO THE CITY

Article V, Section 5.6 of the Agreement requires the franchisee to remit to the City annually (due October 15) a permit per account fee (PPAF) in the amount of \$50 for each account contracted within the City for commercial solid waste handling services, including each container and/or roll-off utilized by franchisee. Failure to remit the required PPAF by the due date will result in a one and one-half percent (1.5%) per month on the balance due to the City.

Our audit determined that the PPAF relative to eight (8) service accounts that were active as of October 1, 2008 were not assessed and remitted to the City as required. As a result, the unremitted PPAF and the applicable late/penalty fees totaling \$496 (\$400+\$96) are due to the City.

Recommendation:

We recommend that Finance Department bill S&S National Waste, Inc. for the total amount of \$496 due and payable to the City.

Auditee's Response and Action Plan:

Auditee concurred with our findings. See written response on pages 10 and 11.

RE: Audit of Compliance with Commercial Solid Waste Franchise Agreement/S&S National Waste, Inc. (S&S)
Audit No. 10-016

Dear Ms. Wheeler:

In connection with our audit of S&S National Waste, Inc. (S&S), for the period October 1, 2008 through September 30, 2009, and selected transactions prior and subsequent to this period, our audit disclosed that additional franchise fees totaling \$496.00 (W/P T-5) are due to the City as summarized below:

I. Article V, Section 5.6 of the Agreement requires the franchisee to remit to the City annually (due October 15) a permit per account fee (PPAF) in the amount of \$50 for each account contracted within the City for commercial solid waste service and/or specialized waste handling services, including each container and/or roll-off utilized by franchisee. Failure to remit the required PPAF by the due date will result in a one and one-half percent (1.5%) per month on the balance due to the City. Our audit determined that the PPAF relative to eight (8) service accounts active as of October 2008 were not assessed and remitted to the City as required. As a result, the unremitted PPAF and the applicable late penalty fees totaling \$496 (\$400 + \$96) are due to the City. (W/P T-9)
