

No. 16-204

CIP TREE PERMIT – DRY RUN

PERMITTEE: CIP
City of Miami
ATTN: Ivelisse Rodriguez

LOCATION: BRICKELL AV BETWEEN SE 15 RD & SE 8 ST
BD # (PROJ. #): BD16-007104-001 (B-30874)
FOLIO NUMBER N/A

This PERMIT authorizes the following removal of trees and shrubs or other planting on City of Miami ("property and/or public right of way pursuant to Chapter 17 of The Code of the City of Miami. Specifically, it is for the root pruning of right-of-way trees located in the City of Miami and/or public right of way. Permittee is responsible for repairing any damage to the public right of way and any other street closure maintenance of traffic requirements as a result of this work.

The following conditions shall be adhered to:

1. Permittee shall contact Planning and Zoning Department/Environmental Resources Division at (305)416-1400 to perform the final inspection. Approved work and inspection shall be completed within one hundred eighty (180) days from the date of issuance of the Covenant.
2. Prior to any planting or excavation in the Public Right of Way, it is the Permittee's responsibility to notify Sunshine 811 at (1800)432-4770 to determine if any of the Permittee's facilities could be damaged by removing or planting trees pursuant to Chapter 556, Florida Statutes.
3. No trees or plant items shall be planted in the twenty five (25) foot corner radius. All shrubs shall be a minimum of eighteen (18) inches in height when measured immediately after planting and not to exceed thirty-six (36) inches in height.
4. No trees shall be planted less than ten (10) feet from a driveway approach.
5. Trees shall maintain a minimum of ten (10) feet clearance from any other new or existing tree.
6. All planting material shall be Florida Grade #1 or better
7. Tree replacement, if applicable, shall be the responsibility of the Permittee pursuant to Section 17-6 of the City Code, as amended from time to time.
8. The landowner is responsible for the watering, trimming, root pruning and all other maintenance of the planted trees for perpetuity.
9. For all non-standard improvements in the right-of-way, the Permittee must obtain a Non-Standard Improvement Covenant from the Public Works Department prior to the commencement of the work.
10. Permittee is responsible for obtaining any and all other applicable permits prior to the commencement of any work.

Oguntoyinbo-Rashad, Quatisha
