

CITY OF MIAMI, FLORIDA
INTER-OFFICE MEMORANDUM

TO: Emilio T. González, Ph.D.
City Manager

DATE: June 11, 2018

FROM: Annie Perez, CPPO, Director
Department of Procurement

SUBJECT: Recommendation for Contract Award, Invitation to Bid ("ITB") No. 17-18-018 – Mary Brickell Village Drainage and Roadway Improvements and SW 1st Avenue Milling and Resurfacing, Project No.'s B-30637 and B-30833

REFERENCES: ITB No.: 17-18-018

ENCLOSURES: Bid Security List, ITB documents, and attachments

Recommendation

Based on the findings below, the Department of Procurement ("Procurement") hereby recommends that the subject project be awarded to V Engineering & Consulting Corp. ("V Engineering"). The firm has been determined to be the lowest responsive and responsible Bidder for ITB No. 17-18-018, Mary Brickell Village Drainage and Roadway Improvements and SW 1st Avenue Milling and Resurfacing, Project No.'s B-30637 and B-30833 ("Project").

Background

On Friday, April 27, 2018, Procurement issued ITB No. 17-18-018 under full and open competition to obtain bids from qualified firms. The Project includes drainage and roadway improvements, and milling and resurfacing. On Thursday, May 31, 2018, Procurement received three (3) bids in response to the solicitation (see attached Bid Security List).

Pursuant to the solicitation, Bidders were required to have a current certified General Contractor license issued by the State of Florida, or a County issued Certificate of Competency as a General Engineering Contractor; and a minimum of five (5) years of experience, under its current business name, in the construction of roadway/horizontal projects involving public right-of-way, construction/installation/repair/replacement of drainage system pipes, construction/repair of sidewalks and curb & gutter restoration and maintenance of vehicular traffic. Bidders were also required to have experience as the Prime General Contractor for the construction of at least three (3) roadway/horizontal projects completed within the past ten (10) years. In addition, the Selected Bidder shall be required to self-perform at least 30% of the Physical Construction Labor Work for the Project.

Findings

Procurement has completed the review of the bids following the guidelines published in the solicitation. As reflected on the attached Bid Security List, V Engineering is the lowest responsive and responsible Bidder for ITB 17-18-018. The City's Local Preference Ordinance is not applicable, since V Engineering maintains a "Local Office," as defined by City Code Section 18-73. Procurement hereby recommends that the Project be awarded to V Engineering.

Contract Execution

Accordingly, Procurement hereby requests authorization to prepare for execution, a contract for a base bid of \$1,163,340.99, plus a ten percent (10%) Owner's Contingency Allowance of \$116,334.09, for a total contract amount not-to-exceed \$1,279,675.08. Your signature below indicates your approval of Procurement's recommendation.
