This document has been developed as the method for a Utility Agency/Owner (UAO) to transmit to the City of Miami, the Contractor, and other right-of-way users, the location, relocation, adjustment, installation, and/or protection of their facilities, on this City of Miami project. The following data is based on City of Miami preliminary construction plans dated 12/12/17. Any deviation by the City of Miami or its contractor from the plans, as provided, may render this work schedule null and void. Upon notification by the City of Miami of such change, this utility may require additional days for assessment and negotiation of a new work schedule. This UAO is not responsible for events beyond the control of the UAO that could not reasonably be anticipated by the UAO and which could not be avoided by the UAO with the exercise of due diligence at the time of the occurrence. The UAO agrees to notify the City of Miami in writing prior to starting, stopping, resuming, or completing work.

During the project, the UAO shall locate their facilities within 48 hours of notice to their Representative.
