## ADDENDUM No. 4

October 8, 2019

REQUEST FOR QUALIFICATIONS No. 18-19-042

### **DESIGN CRITERIA PACKAGE FOR BRICKELL BAY DRIVE IMPROVEMENTS – D2 – B-193802**

#### **TO: ALL PROSPECTIVE PROPOSERS:**

The following changes, additions, clarifications, and/or deletions amend the above-captioned Request for Qualifications (RFQ) and shall become an integral part of the proposal submitted and the Contract to be executed for **Design Criteria Package for Brickell Bay Drive Improvements, RFQ No. 18-19-042** (the “Project”). Please note the contents herein and affix it to the documents you have on hand.

**All attachments (if any) are available on the Office of Capital Improvements (OCI) website and are part of this Addendum.**

#### **MODIFICATIONS/CLARIFICATIONS:**

Wherever applicable throughout the RFQ document, Proposers are hereby advised that the **Proposal Submittal Date has been extended to October 22, 2019, at 2:00 p.m. EST.** The location for delivery of Proposals remains the same.

#### **REQUESTS FOR INFORMATION (RFIs):**

Q1. Do Proposers need to submit an FDOT Certification letter?

A1. No.

---

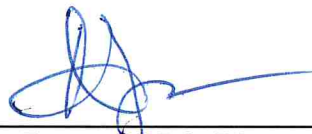

Q2. Is the Successful Proposer meant to rely on previous models? If so, what models will be available?

A2. It is the responsibility of the Successful Proposer to determine and identify the appropriate sources of information for the modeling needs of the Project. Modeling information may be available from various public agencies and other entities. For instance, a Citywide Stormwater Master Plan Update (Project No. B-30632A) is currently under development by OCI. The Successful Proposer is to evaluate the available information from the development of the City 's Master Plan and to determine how best to use it for their analysis and modeling performed to provide the Scope of Services described in the RFQ.

---

- Q3. Please explain the extent of the permitting-related services under this Project. What will the Successful Proposer be responsible for related to permitting the improvements versus the Design-Build Contractor?
- A3. The Successful Proposer will need to identify and meet with all permitting entities as needed to determine the permit feasibility of the scope of work and obtain approval from all entities on the conceptual approach. The Successful Proposer shall indicate all necessary steps after the conceptual approval for the Design-Build Contractor to obtain all permits necessary.
- 

**THIS ADDENDUM IS AN ESSENTIAL PORTION OF THE CONTRACT DOCUMENT AND SHALL BE MADE A PART THEREOF.**
