

8.3 DEBARMENT AND SUSPENSION

(a) Authority and requirement to debar and suspend:

After reasonable notice to an actual or prospective contractual party, and after reasonable opportunity to such party to be heard, the City Manager, after consultation with the Chief Procurement Officer and the City Attorney, shall have the authority to debar a contractual party for the causes listed below from consideration for award of city contracts. The debarment shall be for a period of not fewer than three years. The City Manager shall also have the authority to suspend a contractor from consideration for award of City contracts if there is probable cause for debarment. Pending the debarment determination, the authority to debar and suspend contractors shall be exercised in accordance with regulations, which shall be issued by the Chief Procurement Officer after approval by the City Manager, the City Attorney, and the City Commission.

(b) Causes for debarment or suspension include the following:

1. Conviction for commission of a criminal offense incident to obtaining or attempting to obtain a public or private contract or subcontract, or incident to the performance of such contract or subcontract.
2. Conviction under state or federal statutes of embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property, or any other offense indicating a lack of business integrity or business honesty.
3. Conviction under state or federal antitrust statutes arising out of the submission of bids or Proposals.
4. Violation of contract provisions, which is regarded by the Chief Procurement Officer to be indicative of non-responsibility. Such violation may include failure without good cause to perform in accordance with the terms and conditions of a contract or to perform within the time limits provided in a contract, provided that failure to perform caused by acts beyond the control of a party shall not be considered a basis for debarment or suspension.
5. Debarment or suspension of the contractual party by any federal, state or other governmental entity.
6. False certification pursuant to paragraph (c) below.
7. Any other cause judged by the City Manager to be so serious and compelling as to affect the responsibility of the contractual party performing City contracts.

(c) Certification:

All contracts for goods and services, sales, and leases by the City shall contain a certification that neither the contractual party nor any of its principal owners or personnel has been convicted of any of the violations set forth above or debarred or suspended as set forth in paragraph (b) (5).

The undersigned hereby certifies that neither the contractual party nor any of its principal owners or personnel has been convicted of any of the violations set forth above, or debarred or suspended as set forth in paragraph (b) (5).
