The City anticipates awarding one (1) Agreement for the services described in Section 2.0, Scope of Services. Upon award of an Agreement by the City Commission, the Successful Proposer is precluded, during the term of the Agreement, from entering into any other agreements with the City to provide professional consulting services related to, or to be used, by OCI and/or Office of Transportation Management.

The Successful Proposer shall not have any recourse against the City for performing such unauthorized or premature work.

Written modifications will not be accepted after the Proposal Submission Deadline. The City will only consider the latest version of the Proposal.

1.12 SUBCONSULTANT(S)/SUBCONTRACTOR(S)

For the purpose of this RFQ, “Subconsultant” and “Subcontractor” are used interchangeably. A Subconsultant or Subcontractor is any individual, firm, entity, or organization, other than the employees of the Proposer, who has or will have a contract with the Proposer to assist in the performance of services required under this RFQ. A Subconsultant shall be paid directly by the Proposer, and not paid directly by the City. The Proposer must clearly identify in its Proposal the Subconsultants to be utilized in the performance of required services. The City retains the right to accept or reject any Subconsultant proposed in the Proposer’s Proposal, or proposed prior to Contract execution. Any and all liabilities regarding the use of a Subconsultant shall be borne solely by the Successful Proposer, and insurance for each Subconsultant must be maintained in good standing and approved by the City throughout the duration of the Contract. Neither the Successful Proposer nor any of its Subconsultants are considered to be employees, partners, affiliates, or agents of the City. Failure to list all Subconsultants and provide the required information may disqualify any proposed Subconsultants from performing work under this RFP.

Proposers shall include in their Proposal the requested Subconsultant information and all relevant information required of the Proposer. Proposer must identify each of its Community Business Enterprise (CBE) Subconsultants via Letter of Agreement (LOA) at the time of Proposal submittal. Additional information can be found in Section 3.6.

After Proposal submittal, Proposers are expressly prohibited from substituting any Subconsultants contained in the Proposal. **Just cause and prior written approval by the City may constitute substitution.** If approved, the City reserves the right to request additional required documentation as specified in the RFQ. If the City does not accept the proposed change(s), the Proposal will be rejected and not considered for award.

1.13 DISCREPANCIES, ERRORS, AND OMISSIONS

Any discrepancies, errors, or ambiguities in the RFQ or addenda (if any) should be reported in writing, in the manner prescribed in Section 1.4, Cone of Silence. If applicable, the City will issue a written addendum to the RFQ clarifying such conflicts or ambiguities. It is agreed that any such alleged discrepancies, errors or omissions will not be construed against the drafting party.

1.14 DISQUALIFICATION

This RFQ requires the use and submission of specific City forms. In addition, the RFQ requires the submission of additional documents and information. Failure to utilize the City forms will result in the Proposal being deemed non-responsive, and the Proposal will not be further considered for award. Modification of, retyping, or any alterations to, the City forms may also result in the Proposal being deemed non-responsive.

The City reserves the right to disqualify Proposers upon evidence of collusion with intent to defraud or other illegal practices on the part of the Proposer. The City also reserves the right to waive any immaterial defect or informality in any Proposal; to reject any or all Proposals in whole or in part, or to reissue a RFQ.

Any Proposer who submits in its Proposal any information that is determined by the City, in its sole opinion, to be substantially inaccurate, misleading, exaggerated, or incorrect, shall be disqualified from consideration for award of the Contract.

Any Proposal submitted by a Proposer who is in arrears, (e.g., money owed or otherwise in debt by failing to deliver goods or services to the City, including any agency or department of the City), or where the City has an open or liquidated claim against a Proposer for monies owed the City at the time of Proposal submission, or if a Proposer has been declared in default or abandoned a prior City contract or agreement, or has been debarred by a federal, State of Florida, or local public entity within the past five (5) years, will be rejected as non-responsive and shall not be considered for award. Prior to award of a contract, the above requirements must be met, and is a condition that must be maintained during the term of the Contract.

1.15 PROPOSER'S EXPENDITURES

Proposer understands and agrees that any expenditure incurred in preparation and submittal of Proposals, or in the performance of any services requested by the City in connection with the Proposals for this RFQ, are exclusively at the expense of the Proposers. The City shall not pay or reimburse any expenditure or any other expense incurred by any Proposer in preparation of a Proposal, and/or anticipation of Agreement award, and/or to maintain the approved status of the Successful Proposer if an Agreement is awarded, and/or administrative or judicial proceedings resulting from the solicitation process. By submission of a Proposal the Proposer agrees to these terms.

1.16 EXECUTION OF PROPOSAL

The Proposal must be manually and duly signed by an authorized corporate officer, principal, or partner (as applicable) with an original signature in full. When a firm is the Proposer, the Proposal shall be signed in the name of the firm by one or more of the partners. When a corporation is the Proposer, the officer signing shall set out the corporate name in full beneath which he shall sign his name, give title of his office and affix the corporate seal. Anyone signing the Proposal as an agent, must file with it legal evidence of signature authority. Proposers who are nonresident corporations shall furnish to the City with the Proposal, a duly certified copy of their permit to transact business in the State of Florida. Failure to promptly submit this evidence or qualification to do business in the State of Florida, may be a basis for rejection of the Proposal.
