Certain provisions of the Agreement are non-negotiable. These include, without limitation, applicability, and compliance with applicable laws (e.g., State Statutes, County and City Codes), venue, hold harmless, duty to defend, indemnity and insurance, payment and performance bond, and cancellation for convenience or due to lack of funding, by the City Manager.

1.7 AWARD OF AGREEMENT

Two (2) Agreements may be awarded to the two top-ranked Proposers for the Project by the City Commission, following a written recommendation by the City Manager, as applicable, and based upon the qualification requirements reflected herein. The City reserves the right to execute or not execute, as applicable, an Agreement with the Successful Proposers, when it is determined to be in the City's best interest. The City does not represent that any award will be made. The award and execution of an Agreement shall comply with CCNA, Florida Statute Section 287.055, as amended, and codified in the City of Miami Code as Section §18-87.

1.8 AGREEMENT EXECUTION

By submitting a Proposal, the Successful Proposers agree to be bound to and execute the PSA, in substantially the form furnished by the City, for the Citywide Program Management Support Services project ("Project"). Upon commencement of the PSA negotiation process, and without diminishing the foregoing, the Successful Proposers may request clarification and submit comments concerning the Agreement for the City's consideration. None of the foregoing shall preclude the City, at its option, from seeking to negotiate changes to the Agreement during the negotiation process.

The City shall require the Successful Proposers to provide for themselves and their Sub-Consultants all of the following documentation to support any Fee Proposal (if applicable), as a condition precedent to execution of an Agreement:

- Current financial statement(s), preferably an audited financial statement(s) for the most recently completed fiscal year clearly showing the costs (not percentage) of direct labor, indirect labor, fringe benefits, general administrative costs and overhead, and a statement of profit or operating margin.
- Raw labor rates by labor or professional classification certified as accurate by an officer of the company.
- Breakdown of the fee by task/labor classification and raw or billable hourly rate/number of hours.
- Updated information reflecting information resulting from negotiation of the Agreement.
- Copy of current Notice of Qualification letter from the Florida Department of Transportation (FDOT).

1.9 UNAUTHORIZED WORK

The Successful Proposers shall not begin work until the City issues a written Notice to Proceed (“NTP”). Such NTP shall constitute the City’s authorization to begin work. Any unauthorized work performed by the Successful Proposers, prior to receiving the NTP, or during the term of the Agreement, shall be deemed non-compensable by the City. Successful Proposers shall not have any recourse against the City for prematurely performing unauthorized work.

1.10 SUBMITTAL INSTRUCTIONS

Careful attention must be given to all requested items contained in this RFQ. Proposers are invited to submit Proposals in accordance with the requirements of Section 4, Instructions for Submitting a Proposal. **PLEASE READ THE ENTIRE SOLICITATION BEFORE SUBMITTING A PROPOSAL.** Proposers shall make the necessary entries in all blanks on the forms provided for inclusion in the Proposer’s Proposal. Proposals shall be submitted in sealed envelopes or packages, with the RFQ number, title, and opening date clearly noted on the outside of the envelopes or packages.

1.11 CHANGES/MODIFICATIONS/ALTERATIONS

Proposers may submit a modified Proposal to replace all or any portion of a previously submitted Proposal or withdraw a Proposal at any time prior to Proposal Submission Due Date (referenced in the Public Notice). All modifications or withdrawals shall be made in writing, to the Office of the City Clerk, City Hall, 3500 Pan American Drive, Miami, Florida 33133. **Oral/Verbal modifications are prohibited, and they will be disregarded. Written modifications will not be accepted after the Proposal Submission Due Date.** The City will only consider the latest version of the Proposal as submitted by the Proposal Submission Due Date.

1.12 SUB-CONSULTANT(S)/SUB-CONTRACTOR(S)

For purposes of this RFQ, the terms “Sub-Consultant” and “Sub-Contractor” are used interchangeably. A Sub-Consultant or Sub-Contractor is any individual, firm, entity, or organization, other than the employees of the Proposer, who has or will have a contract with the Proposer to assist in the performance of Services required under this RFQ. A Sub-Consultant shall be paid directly by the Proposer and shall not be paid directly by the City. The Proposer must clearly identify in its Proposal the Sub-Consultants to be utilized in the performance of required Services. The City retains the right to accept or reject any Sub-Consultant proposed in accordance with Section 3.5, “Minimum Qualification and Experience Requirements,” and Section 4.1, “Submission Requirements,” or proposed prior to execution of the Agreement. Any and all liabilities regarding the use of a Sub-Consultant shall be borne solely by the Successful Proposer, and insurance for each Sub-Consultant must be approved by the City and maintained in good standing throughout the duration of the Agreement. Neither the Successful Proposer nor any of its Sub-Consultants are considered employees, partners, affiliates, or agents of the City. Failure

to list all Sub-Consultants and provide the required information may disqualify any unidentified Sub-Consultants from performing work under this RFQ.

Proposers shall include in their Proposal the requested Sub-Consultant information and all relevant information required of the Proposer. Proposers must identify each of its Small Business Enterprise (SBE) Sub-Consultants via Letter of Agreement (LOA) utilizing **Form RFQ-LOA** at the time of Proposal submittal. Additional information concerning the SBE requirements can be found in Section 3.6, "Small Business Enterprise (SBE) Participation Requirements - Mandatory."

After Proposal submittal, Proposers are expressly prohibited from substituting any team member, whether employed by the Proposer or by any Sub-Consultant or Sub-Contractor, as included in their Proposal. **Just cause and prior written approval by the City Manager or City Manager's authorized designee are required for substitution of any Sub-Consultants.** If approved, the City reserves the right to request additional required documentation as specified in the RFQ. If the City does not accept the proposed change(s), the Proposal may be rejected and not considered for award.

1.13 DISCREPANCIES, ERRORS, AND OMISSIONS

Any discrepancies, errors, or ambiguities in the RFQ or addenda (if any) should be reported in writing, in the manner prescribed in Section 1.4, Cone of Silence. If applicable, the City will issue a written addendum to the RFQ clarifying such conflicts or ambiguities. It is agreed that any such alleged discrepancies, errors, or omissions will not be construed against the drafting party.

1.14 DISQUALIFICATION

This RFQ requires the use and submission of specific City forms. In addition, the RFQ requires the submission of additional documents and information. Failure to use the City forms will result in the Proposal being deemed non-responsive, and the Proposal will not be further considered for award. Modification of, retyping, or any alterations to, the City forms may also result in the Proposal being deemed non-responsive.

The City reserves the right to disqualify Proposers upon evidence of collusion with intent to defraud or other illegal practices on the part of the Proposer. The City also reserves the right to waive any immaterial defect or informality in any Proposal, to reject any or all Proposals in whole or in part, or to reissue this RFQ.

Any Proposer who submits in its Proposal any information that is determined by the City, in its sole opinion, to be substantially inaccurate, misleading, exaggerated, or incorrect, shall be disqualified from consideration for award of the Agreement.

Any Proposal submitted by a Proposer who is in arrears, (e.g., money owed or otherwise in debt by failing to deliver goods or services to the City, including any agency or department of the City), or where the City has an open or liquidated damages claim against a Proposer for monies owed to the City at the time of Proposal submission, or if a Proposer has been declared in default or abandoned a prior City Contract or Agreement, or has been debarred by a federal, State of Florida, or local public entity within the past five (5) years, or is on the convicted vendor list per Florida Statute § 287.133, will be rejected as non-responsive and shall not be considered for award. Prior to award of the Agreement, the above requirements must be met, and is a condition that must be maintained during the term of the Agreement.

1.15 PROPOSER'S EXPENDITURES

Proposers understand and agree that any expenditure incurred in preparation and submittal of Proposals, or in the performance of any services requested by the City in connection with the Proposals for this RFQ, are exclusively the responsibility of the Proposers. The City shall not pay or reimburse any expenditure, or any other expense incurred by any Proposer in preparation of a Proposal, and/or anticipation of Agreement award, and/or to maintain the approved status of the

Successful Proposer if an Agreement is awarded, and/or administrative or judicial proceedings resulting from the solicitation process. Proposers agree to these terms by submission of a Proposal.

1.16 EXECUTION OF PROPOSAL

The Proposal must be manually and duly signed by an authorized corporate officer, principal, or partner (as applicable) with an original signature in full. When a firm is the Proposer, the Proposal shall be signed in the name of the firm by one or more of the partners. When a corporation is the Proposer, the officer signing shall set out the corporate name in full, beneath which he shall sign his/her name, give title of his/her office, and affix the corporate seal. Anyone signing the Proposal as an agent, must file legal evidence of signature authority with it. Proposers who are corporations shall furnish their Proposal to the City with a copy of their authorization to transact business in the State of Florida. Failure to submit promptly this evidence of qualification to do business in the State of Florida may be a basis for rejection of the Proposal.

Proposers understand that submitting a Proposal to this RFQ does not constitute an Agreement or Contract between the City and the Proposer. Proposers have no contract right or expectation by submitting to the City a response to this RFQ.

1.17 INSPECTION OF SITE

Proposers should carefully examine the site location before submission of a Proposal and make all necessary investigations to inform themselves thoroughly as to all difficulties involved in the completion of all services required pursuant to the mandates and requirements of this RFQ and the Agreement. No plea of ignorance of conditions or difficulties that may hereafter exist, or of conditions or difficulties that may be encountered in the execution of the services pursuant to the Proposal as a result of failure to make the necessary examinations and investigations, will be accepted as an excuse for a failure or omission on the part of the Successful Proposer to fulfill, in every detail, all of the requirements, as defined in the Agreement, nor will they be accepted as a basis for any claims whatsoever for extra compensation or for an extension of time.
