Disability / Adult Day (ADT) Program				
Per City Code 30-1				
	Description	Current Fees	Justification	
C	Adult Day Training Program (Includes Applicable Taxes)	N/A*	The daily fee was designed to facilitate affordable programming to adults with disabilities that don't have any services through Medicaid or are in an indefinite waiting list for services and are interested in the skills training offered in our ADT. In addition, the State of Florida reduces rates of service continuously and this new fee structure will allow us the opportunity to increase revenue and serve more individuals that are otherwise not receiving any services. Does not include transportation. Youngsters interested have an option to attend part time for 3 days a week or full time 5 days a week.	
C	GET FIT (Includes Applicable Taxes)	N/A	These daily fees were designed to facilitate affordable recreation/sports programming and training for adults with disabilities that do not have a program like this available to them after hours twice a week for three hours. These fees help pay for the staff required to work this program.	
C	GET FIT Summer Program (Includes Applicable Taxes)	N/A	The weekly rate fee were designed to allow the GET FIT program participants the opportunity to participate in a summer program during the day that allows them to continue to receive much needed recreational/sports training provided during the year. These participants are not members of the ADT. To participate in this unique program you must be enrolled in GET FIT all year long to be eligible to participate. Space is limited based on camp and ADT enrollment numbers.	
C	City of Miami Camp Shriver (Includes Applicable Taxes)	N/A	The registration fee is collected to help fund the staff required to work camp which is a ratio of 10 campers to 1 staff member. Our camp is the only camp in the city that is free.

	NOTES:			
	<ul style="list-style-type: none"> The rehearsal rate was added by Rasha however, it's the same rate as the dance rooms and the theater is larger with more usage. 			
	<ul style="list-style-type: none"> The gallery does not have a rate for special events and there is a high demand to have functions in the gallery. 			
	<ul style="list-style-type: none"> The gallery weekly rate is not realistic due to the short period of time to display and remove an exhibit.
