Capital Project Funds

MONTHLY FINANCIAL REPORT

The financial resources of capital project funds come from several different sources including general obligation bonds, state and federal government grants, and appropriations from the general or special revenue funds.

The City of Miami has six capital project funds, as follows:

- ◆ Community Redevelopment Agency (CRA) - To account for the acquisition or construction of major capital facilities for community redevelopment in the defined Community Redevelopment Area.
- ◆ Transportation and Transit - To account for expenditures for the improvement to infrastructure that enhances transportation options, improves safety, and increases mobility within city limits.
- ◆ General Obligation Bond (GOB) - To account for the receipt and disbursement of bond proceeds from general obligation debt to be used for construction and/or acquisition activities for the city.
- ◆ Special Obligation Bond (SOB) - To account for the receipt and disbursement of bond proceeds from special obligation debt and loan agreements to be used for construction and/or acquisition activities for the city.
- ◆ Impact Fee - To account for the collection of impact fees and the cost of capital improvement projects for the type of improvement for which the impact fee was imposed.
- ◆ Other Capital Projects - To account for and report on funds received from various resources (primarily from current revenues, federal and state grants) designated for construction projects.

MONTHLY FINANCIAL REPORT
