RIGHT-OF-WAY UTILITY PERMIT NOTES AND CONDITIONS:

- Two (2) business days before digging, call Sunshine State One Call of Florida, Inc., at 811 or 1-800-432-4770.
- Notify Public Works Inspectors at 305-416-1200 at least 24 hours prior to Commencement of Work.
- Copies of all permits and approved plans must be kept on job site at all times.
- Contractor must obtain a Right-of-Way Closure Permit prior to Commencement of Work.
- Contractor must obtain, if applicable, a Tree Permit prior to pruning, removing or disturbing any trees in the right-of-way.
- Contractor must obtain, if applicable, a Dewatering Permit prior to Commencement of Work.
- Contractor must obtain a Noise Waiver from the NET office if the work is not performed during normal construction hours of 8AM to 6PM.
- Contractor must comply with Florida Statutes Chap. 556 "Underground Facility Damage Prevention & Safety" through the use of low impact marking devices.
- Contractor must provide proof (i.e., photos, video) that the storm sewer system is not damaged during construction.
- Permit extensions shall be issued only for work in progress.
- The applicants/permittees shall ensure that work in the public right-of-way is conducted and performed in a satisfactory, safe and professional manner, and complies with all applicable federal and state laws and city codes, bulletins, and ordinances.
- The applicants/permittees shall ensure that work pertaining to the public right-of-way is restored and maintained per Public Works standards and bulletins, and final restoration is performed within thirty (30) days of completed utility work.
- The applicants/permittees shall ensure that other utility owners with facilities attached to a pole to be removed shall transfer their facilities to the new pole within the permit timeframe; the owner of the old pole shall remove it within the permit timeframe.
- The applicants/permittees shall assume any and all liabilities that may arise by the closures.
- The applicants/permittees shall ensure access to emergency response vehicles, Solid Waste, and local traffic at all times.
- The applicants/permittees shall notify in writing the residents and business owners of impending closure.
- Failure to secure and maintain other applicable permits shall result in permit's rescission. Permittee will be responsible for new permit fees and applicable penalties per city code and ordinance.
