Protect your legacy.

Millions of Americans spend their lives building a legacy, but because they never created a will, the state gets to decide how their assets will be distributed. The will preparation and legal services program, provided by Ceridian LifeWorks, is designed to help you ensure your estate passes to the right people.

Program features

Key services provided under the will preparation and legal services program include:

Consult with an attorney – You are entitled to a free 30-minute initial consultation, in person or over the phone, with an attorney in your state of residence. You may use the time to discuss pre-existing or future legal matters, or to have documents reviewed. To be matched with an attorney in your area, visit www.lifeworks.com or call 1-877-849-6034.

Create wills, financial power of attorney, living will or final arrangements – At lifeworks.com, you can create a legally valid will and other legal documents – all in less than an hour.

Receive referrals to local attorneys and mediators – Ceridian LifeWorks has a network of over 22,000 attorneys nationwide, and you may request a referral to an attorney in your area at any time by calling the toll-free number.

Download legal forms – You can download legal forms, such as affidavits, collections forms, real estate forms, family and personal forms, etc., online at www.lifeworks.com. These forms are not legally valid and are intended to be “for your information.” You are encouraged to use your initial attorney consultation to discuss your personal situation and receive proper advice.

Get your legal questions answered – Have a general legal question or want to learn more about legal matters that interest you? Lifeworks.com has a vast library of legal information and resources for your reference.

Retain an attorney at a 25 percent discount – After your initial consultation, you may retain your network attorney and receive a 25 percent discount off the normal hourly rate. You are not obligated to retain your attorney, and if you don't feel comfortable with whom you were originally matched, you may request a referral to another attorney in your area.

Access to this program is automatically included for you, your spouse and dependents as a feature of your group life insurance plan. You do not need to enroll. Just become familiar with the services and use them if and when you need to.
